

COMMERCIAL AVIATION ALTERNATIVE FUELS INITIATIVE (CAAIFI)

General Meeting AGENDA / SPEAKERS September 30, 2009

Washington, DC Convention Center
801 Mount Vernon Place, NW, Washington, DC 20001
Room 146AB

Team Workshops October 1, 2009

Multiple Washington Venues
Location / Workscope

The CAAIFI General Meeting will gather all CAAIFI sponsors and stakeholders in one location and will feature:

- Government/Industry speakers led by keynote address from Glenn Tilton, chairman, president and chief executive officer of UAL Corporation and United Air Lines
- Opportunities to interact with leaders from CAAIFI's airline, manufacturer, airport and FAA sponsors as well as with key U.S. Air Force and other government agency representatives
- An overview of latest team activities from CAAIFI's R&D, environment, certification and business team leaders providing a complete picture of overall alternative aviation fuel status
- U.S Government agency speakers on the alignment of their programs and administration priorities with CAAIFI's industry and government initiatives
- CAAIFI's global stakeholder network including energy producers, airlines, universities, and government interests globally

A reception will be held on the evening of Sept. 30 to facilitate networking among participants.
